

The Day After...

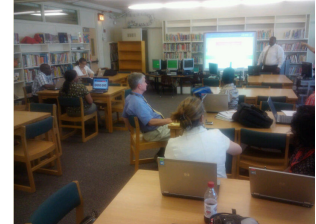

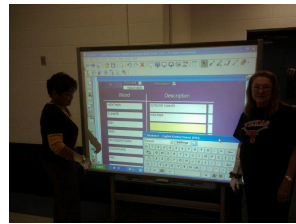

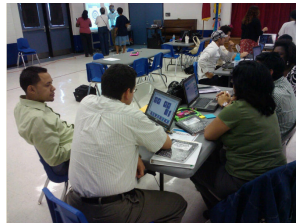

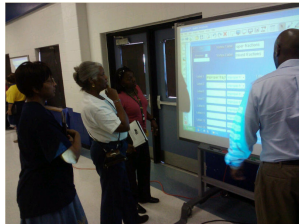

Math/Science Collaborative I

Who?	When?	Where?
K-2 nd Teachers	October 12	Garcia ES
3 rd -6 th Teachers	October 12	Garcia ES
K-2 nd Teachers	October 19	McNamara ES
3 rd -5 th Teachers	October 20	McNamara ES

The focus of the collaborative was **integrating technology in math and science**. Teachers worked in grade level teams to create "just in time" SMART Lessons to be implemented with student groups.

A Huge Thanks Goes To...

-Aaron Dominguez, Garcia ES Principal and Tiffany Chenier, McNamara ES Principal for hosting the collaborative sessions at their campuses.

-Kevin Holiday, Technology Specialist, for facilitating sessions.

-Mariesse Samuels and Rita Foster, Technologists, for coordinating set-ups at their respective campuses.

Campuses Represented

Berry ES
Cook ES
Coop ES
Cunningham ES
Elrod ES
Garcia ES
Grissom ES
Herod ES
Kashmere Gardens ES
McDade ES
McNamara ES
Paige ES
Scarborough ES
Sutton ES

WHAT'S NEXT???

Look for evidence of SMART Lessons:

- with individual students
- in small groups
- as a POD/Warm-up
- as an exit ticket
- as a quick formative assessment

So that we increase the power of sharing exponentially, SMART Lessons created at the trainings will be sent to bdow.smart.lessons@gmail.com for review and uploaded to <http://bdow-network.wikispaces.com>.

The focus for the next collaborative will be **Non-Negotiables** and **Rigor in Math and Science**.

K-2, December 1 (North Campuses)
3rd-6th, December 2 (North Campuses)
K-2, December 7 (West Campuses)
3rd-5th, December 8 (West Campuses)

*Locations are TBD

***FOLLOW-UP SESSIONS ARE AVAILABLE UPON CAMPUS REQUEST**

NO SMART BOARD? NO PROBLEM ☺

Activities created can be utilized at the computer station with groups of students. Be sure that the [SMART Viewer](#) software is installed.
